## OKLAHOMA'S LARGEST CLASSROOM

### Bus Sponsorship

The Tulsa State Fair is committed to preserving our heritage and tradition by providing educational opportunities for Oklahoma's youth. As part of our efforts, we invite schools to participate in Oklahoma's Largest Classroom, a field trip program allowing elementary aged students and teachers to visit the fair and experience a variety of attractions having an emphasis on education. In order to maximize the program's reach and overall impact, bus sponsorships are awarded to public schools that may not otherwise be able to attend. With the assistance received from our sponsors, Oklahoma's Largest Classroom hosts over 4,000 participants each year.

This year, the Tulsa State Fair has set a goal of increasing the number of participants served. Please consider supporting our program by sponsoring one or more buses for only \$150.00 each. Bus sponsors will receive recognition in the Oklahoma's Largest Classroom Field Trip Guide and the program's webpage on tulsastatefair.com.

Thank you for your consideration. If you have any questions or would like to learn more about our program, please contact Amanda Bretz at (918) 744-1113, ext. 2080, or abretz@exposquare.com.

If you would like to participate please complete the information below and return with payment by July 1, 2017.

#### Bus Sponsorship Information:

Company Name: \_\_\_\_\_

Contact: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

City, State Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_
