

EAR TAG REPLACEMENT FORM

Attention:

-  A separate replacement form must be completed and submitted for each lost tag. We will replace up to 3 tags per species, per exhibitor. Exhibitors requesting more than 3 tags will be required to pay \$5.00 for any additional replacement tags.
-  List all exhibitors that nominated the animal if submitting before entry deadline. If submitting after entry deadline, only list the exhibitor that will be showing the animal.
-  Exhibitors should be instructed to immediately notify their supervising CEA or FFA Instructor when a nomination tag is lost or damaged.
-  Unused 2016 tags may be used for retagging. If you do not have any leftover tags we will issue a new tag. This form **MUST** be sent in for all animals that have tags replaced. Call the Tulsa State Fair Livestock Office if you have any questions.
-  Tags should be replaced prior to arrival to the Fair. If needed, tags may be replaced at the Tulsa State Fair, but the exhibitor will be charged a \$5.00 retag fee.
-  All replacement tag orders must be submitted by September 13 for timely delivery of replacement tag. Orders submitted after September 13 will be replaced at the fair for the \$5.00 replacement fee.
-  DNA samples collected at the fair from retagged animals must match the DNA hair sample submitted at the time of nomination.
